

# GC-34

## Goodson Cash Drawer

**InfoComm**  
**Solutions**

### Description

The GOODSON GC-34 Cash Drawer is a medium profile, cash drawer with high reliability and durability. It is ruggedly designed with heavy gauge steel construction using Nylon Rollers and a strong rugged slide rail for smooth opening and closing.

### Reliable Operation

The design is an industry standard and uses electronic high reliability components for the release mechanism extending the Mean Time Between Failure (MTBF) figure to not less than 1 million open and closes. Precision mechanical parts and tight tolerances assure wobble-free drawer operation. A special feature cushions drawer slams to protect the system.

### Cash Tray

The Cash Tray has 5 Note/Bill compartments and 8 coin compartments. The Note Compartments have metal Note Clips and are

### Security

The GOODSON GC-34 Cash Drawer has a three position lock to prevent unauthorized entry.

### Interfaces

The GOODSON GC-34 Cash Drawer is comes with a POS Printer Interface which will connect to Citizen, Epson, Posiflex, Samsung, Star, Axiohm, most POS terminals & Cash Registers and can also be driven by a foot switch.

## GC-34 Specification

Characteristic	Value
<b>Dimensions</b>	420mm(W) x 415mm(D) x 110mm(H)
<b>Weight</b>	9.1 kg
<b>MTBF</b>	>1,000,000 open/closes
<b>Colour</b>	Black/ Ivory
<b>Input to Solenoid</b>	
<b>Pulse Amplitude</b>	24 V (12 Volt optional)
<b>Max Input Voltage</b>	26.4 V
<b>Pulse Width</b>	100-200 msec
<b>Current Consumption</b>	1 Amp @ 24 V DC
<b>Input Impedance</b>	Not Less Than 24 ohms
<b>Pulse Duty Cycle</b>	10% Max
<b>Activation Current</b>	0.9 Amp Max
<b>Cash Drawer</b>	
<b>Cash insert</b>	Removable Tray
<b>Note Compartments</b>	5—tapered with metal clips
<b>Coin Compartments</b>	8—scalloped for ease of use

tapered for easy cash removal. Each individual coin compartment is scalloped to make it easier to give change. The cash tray is removable to make it easier to lock cash in a safe, or for easy access for when counting cash.

### Standard Features

The GOODSON GC-34 Cash Drawer standard features include:

- Easy to Clean Design
- 8 Coin and 5 Note Compartments
- Reinforced Heavy Gauge Steel Construction
- Smooth Drawer Slide Operation
- MTBF not less than 1,000,000 Open/Closes
- Wobble Free Drawer operation
- Scalloped Coin compartments, tapered note trays
- Three Position Lock

### Warranty

The GOODSON GC-34 is provided with 12 months warranty.
